## Workers' Compensation Investigations

We investigate  
Workers'  
Compensation  
claims by means of  
factual investigations,  
surveillance and  
analytic background  
research.

Our team of inhouse expert  
claims handlers and investigation  
specialists work diligently to ensure  
a fair and just outcome which will  
withstand regulatory scrutiny.

### Integrity Matters

Adjuster Corp has an impeccable  
track record in successfully  
investigating Workers'  
Compensation Claims within the  
guidelines of procedural fairness  
and natural justice. Our mainstay  
of clients includes some of the  
largest national and internationally  
corporations in the world.

Our team is client focused and  
results drive, with an unparalleled  
desire to offer industry leading  
service on all occasions. We satisfy  
a client base which seeks a  
professional level of investigative  
excellence.

### You suspect, we investigate

As independent, external  
Investigators we are only influenced  
by the evidence. Our findings  
are based on facts, allowing our  
clients to make fair and appropriate  
informed decisions. Our operatives  
are positioned throughout  
Queensland to conduct surveillance,  
background analytic tracing and  
factual investigations.
